

Supplementary Clause: Lost profit, financial damage of customers

We are not liable for lost profits and financial losses of the customer, which arise e.g. in connection with a failure of the system, due to incorrect functioning of programs or loss of data, just as little if the system combination selected by the customer does not meet his requirements or the intended results are not achieved unless mandatory statutory provisions on liability for intent or gross negligence conflict with these limitations of liability.

The approval of sub-processes / steps as well as trial / production operation must be coordinated and carried out in cooperation with the operator / customer. The operator / customer is responsible for both occupational safety and economic goals.
